Annual Report
2018

Serving Central, Clemson and Pendleton
From the Board President

The staff and Board of Clemson Community Care would like to thank you for your continued support of our mission to provide food, shelter, and utilities for those individuals and families who find themselves in a difficult situation in our service area of Central, Clemson, and Pendleton.

We are fortunate to be in a community of caring people who are ready and willing to bring canned goods to their church food drive, put cans in bags for our Post Offices to pick up, send donations to their children’s school drives, add some cash to our grocery bills, buy a few extras and give to Scouts waiting outside the grocery store, to shop for us, to attend events that support us, and to write a check in honor or memory of someone special. This is how we accomplish our mission.

In addition, we are blessed with an army of volunteers both individuals and in groups who willingly give a hand to help with the daily workings of our agency. Folks who interview our clients, shelve food, pick up donations or pack bags for distribution. Folks assist us with countless duties from watering our plants and pulling weeds to cleaning out freezers.

For these donations of time and money, we are most grateful. It is our livelihood and our passion. With all the changes in our area, our clients are becoming harder and harder to "see." But they do still exist. And, they need our help and support. Tell about us, share our mission with your neighbors so that they too will be aware of the need around us and become a part of Clemson Community Care.

Vicki Miesbauer
CCC Board President

About Clemson Community Care
