

2021 Annual Report

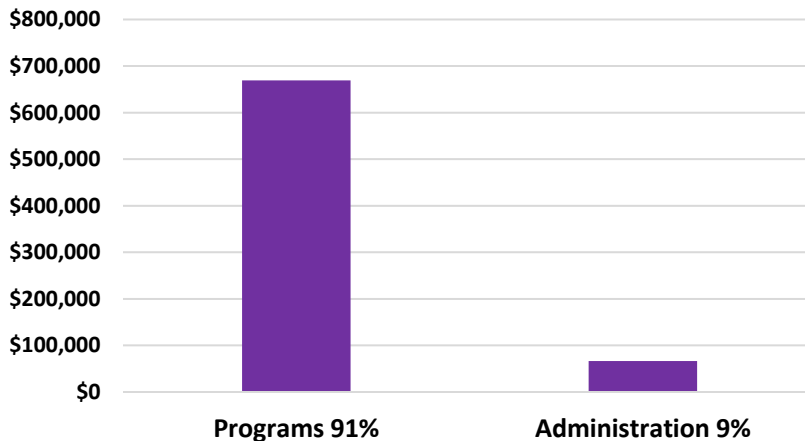

Thank you for being a part of Clemson Community Care as we continue to strive to help those in our community. This report looks back on the 2021 year that was again difficult and challenging for our clients. Because of your continued support, we have been able to meet the needs and remain stable for which we are grateful. Together, we can work to make sure that all people in our community have the basic necessities to create and sustain stable homes for themselves and their families.

With gratitude,
Karen Carter
